SPORTS CAMPS

The Panther camps are designed to teach young players the necessary fundamentals of the game. The skills learned at these camps, combined with our skills development program, can produce a successful player at the elementary and high school level.

Each camp focuses on:

- Fundamentals
- Team concepts
- Defensive skills and strategy
- Individual skills
- Handling the ball
- Team games
- Mini lectures that develop the spiritual and mental aspects of young players with the goal of developing players of character

SURFACES

June 11 – 15
9:00 a.m. – 12:00 p.m.
Grades 6th – 8th • Cost: \$60

An exciting art workshop for young artists devoted to applying liquid medium to various surfaces. Campers will complete five projects in five days. Each day a different surface will be introduced allowing campers to create super, unique, riveting facades, artificially colored. The creative sky is the limit.

ACTING FOR THE STAGE & SCREEN

June 11 – 15
12:30 – 3:30 p.m.
Grades 7th – 8th • Cost: \$60

Do you love acting? Or have you always wanted to try it, but were afraid because you didn't think you had the skill or talent? Then come to our Acting Camp at Elyria Catholic. This camp will be a safe environment for you to learn the fundamentals of acting for the stage and screen.

If you are a beginner, this is the perfect place to start and develop your tools to successfully perform. If you are an acting veteran, this camp will work as a good refresher for what you have learned and add greater depth to your technique. We will explore building character, interpreting dialogue, movement for the stage and screen, as well as tips and strategies for being the best actor you can be.

STEM ROCKS!

June 18 – 22
9:00 a.m. – 12:00 p.m.
Grades 4th – 6th • Cost: \$60

Future engineers and scientists will enjoy exploring the wonderful world of science, technology, engineering and math during this fun summer camp! Campers will sharpen their problem solving and critical thinking skills as they work together on challenging projects in EC's newest chemistry lab. From designing and testing catapults to enjoying tasty treats cooked in solar ovens that the campers create, the week promises to be an exciting one!

COOL CODERS

June 18 – 22
12:30 p.m. – 3:30 p.m.
Grades 6th – 12th • Cost: \$60

This summer course will teach campers the basics of HTML, CSS, and JavaScript. We will also include more advanced material, such as page layouts and animations. Each Coder will be able to program their own website by the end of the course! This class is based on the course from Hyland Software, located in Westlake, Ohio.

CHEFS IN TRAINING

June 25 – 29
9:00 a.m. – 12:00 p.m.
Grades 6th – 8th • Cost: \$70

Learning to cook and navigate a kitchen is fun at any age. Chefs in Training will teach campers the proper use of kitchen utensils and food safety. Campers will explore different foods and learn how to make a variety of recipes that will make them want to cook dinner every night. They will even leave with a cookbook of their favorite summer camp recipes and more.

COMIC BOOK CAMP

July 16 – 20
9:00 a.m. – 12:00 p.m.
Grades 4th – 6th • Cost: \$60

Feel like reading can be a little more fun when there's some pictures to go with it? Comic Book Camp is just what you're looking for! In this fun filled week you will get the chance to explore some comic books, interact with the stories, and even create your own comic! This hands on, activity driven camp will give you the opportunity to not only read a new story or two, but also play unique games with the plotlines. By the end, you'll learn everything you need to know about comic books and even get to tap in to your artistic side to make a comic you can show all your friends! Join us this summer for an experience you'll never forget!
