## **20 Year Reunion News**

Hello Class of 1998,

I hope this letter finds each and every one of you well and in good health! As many of you already know this year marks the 20th anniversary of our departure of the halls of good ole' Elyria Catholic High. I'm sure the last 20 years have brought about much change in the lives of each of us as we have grown as friends, adults, professionals and even parents for some. I'm excited to announce that we will have an opportunity to share these experiences and catch up with one another at our upcoming class reunion. I'm overwhelmed by the tremendous response and help that has been offered to make this a reality. There will be more than one opportunity to meet so hope that one of the two events will bring you out to hang out with us.

I know this event may come as short notice for most, but I'm hoping that in the spirit of reunion you can make it out to enjoy the company of old friends and reconnect. With each passing year it poses more of a challenge to find everyone due to time and distance. We have been fortunate enough to connect with 76 of the 121 of us that still remain, via social media, but even then that avenue has not been fool proof. So if you have any contact information for anyone, please don't hesitate to share. For those that are not aware there is a group on Facebook called "ECHS Class of 98 Reunion News" that has been created for us to stay connected and share info. It is a private group so you will have to be added by one of our classmates. Feel free to stop by the group from time to time and share a picture or just to say hello. So without further ado, the details of the reunion...
